Tirukoilur**

2016 - 2018
Percentage 67.75%

PROFILE

I am seeking an organization where my skills and abilities could be best utilized to their full potential with an element of knowledge enhancement.

INTERNSHIP

Software Developer

Qantler Technologies, Tiruchirappalli

Jan - Aug 2023

ROLES AND RESPONSIBILITIES

- During the internship, I developed and contributed to 7 web applications.
- Led the development of 3 web applications as a solo Front-End Developer using React.js.
- Worked collaboratively on 2 web application projects as part of a team.
- Assisted in code maintenance and optimization for 2 projects as a Support Developer.
- Deployed all web applications to production successfully.
- Gained better experience in mobile app development using React Native in a project.
- Learned IBM Datacap and Microsoft SharePoint basics in the meantime between projects.

ACADEMIC ACTIVITIES

- **Academic mini project:** I created a web application using PHP and MySQL. It is about searching for students and faculties with their name or ID and finding which classroom they are in and what course is taken in real time.
- **Mobile application development:** I worked on the enhancement of the college E-Attendance app. I also published a small app in the Google Play Store out of my own interest.
- I served as a class representative in my undergraduate and postgraduate studies, also served as the secretary for the Department of Computer Science at St. Joseph's College.
